

## ONE ESSEX COURT

### **GDL OPEN DAY 2022 - APPLICATION**

*Guidance for completing the form:*

- *The word maximums specified are true maximums, not targets. Please do not worry if your sections are significantly shorter.*
- *We are looking for applicants who are likely, in due course, to be strong applicants for pupillage. Our pupillage selection criteria are available on our website, at <https://www.oeclaw.co.uk/pupillage/applications>*
- *Applicants should have a first class degree, or evidence that they would have achieved a first class degree absent extenuating circumstances.*
- *In the “Positions of responsibility / significant achievements” section of the form, we are looking broadly for evidence of the following selection criteria: practicality, maturity and common sense; motivation; courage and independence of mind; a reasonably unflappable temperament; and an ability to get on with other people. We realise you are unlikely to be able to demonstrate all of those in a short form, but we hope that assists you to select your most relevant experience.*
