

ONE ESSEX COURT

WOMEN AT THE COMMERCIAL BAR MENTORING SCHEME

One Essex Court is offering, for the second year running, a mentoring scheme to provide one-to-one support and guidance for aspiring barristers. This is a unique opportunity for those interested in the Commercial Bar to connect with a female barrister who can share her experiences and provide career guidance.

The scheme will run during the 2020/2021 academic year. Each mentee will be paired with a female barrister from One Essex Court as a mentor. The scheme includes:

- **One-to-one meetings** with your mentor through the course of the year (in person or virtual)
- A **virtual skills afternoon** to build on application and interview skills currently anticipated for 8 January 2021

Applications are open to those who are intending to apply for pupillage in the year 2020/21 or 2021/22. We welcome applicants of any gender, and we particularly welcome applications from those under-represented at the Commercial Bar.
