

One Essex Court Parental Leave Policy for Members of Chambers

1. “**Parental leave**” refers to leave from practice taken by a carer of a child preceding or following birth or adoption. This could be the mother, father or adoptive parent of either sex, and includes the married, civil, or de facto partner of a biological or adoptive parent.

Aims and purpose

2. This policy aims to:
 - a. encourage members following parental leave to return to Chambers and continue to build successful practices;
 - b. prevent discrimination on grounds of parental responsibility;
 - c. encourage and support members taking time off preceding or following the birth or adoption of a child without suffering financial hardship;
 - d. comply with the requirements of rule C110(3)k of Section D of Part 2 of the Bar Standards Board Handbook and other relevant BSB rules and guidance.

Policy

3. Members who are carers of children have the right to take parental leave and to return to Chambers after taking parental leave, both in accordance with the terms of this policy. The rights set out in this policy, including to parental leave and parental loans, are available equally to members following a miscarriage, stillbirth or death of a child shortly after birth.
4. Parental leave may extend for up to 2 years after the date of birth or adoption and this may include a reasonable period preceding birth. In the event of subsequent children being born or adopted, parental leave may extend for an additional 2 years without the member returning to Chambers. The 4-year period shall be increased as necessary to permit a member to take at least 1 year of parental leave per birth or adoption.

5. Members are encouraged to inform their clerks of their intention to take a period of parental leave not less than 2 months before the commencement of the period of leave, indicating the estimated commencement date and estimated date of return and to update such estimates if they change.
6. If a member wishes to take parental leave for a period longer than permitted under paragraph 4 above, he or she must apply in writing to the Management Committee for permission, explaining in sufficient detail the reasons for such application.
7. Each application will be considered on its merits. In exercising its discretion, the Management Committee will comply with any applicable BSB rules on equality and diversity and have regard to any applicable BSB guidance, and, in particular, exercise its discretion in a way that does not discriminate unlawfully on prohibited grounds.
8. If a member is absent from Chambers for longer than permitted under paragraph 4 above without Management Committee's permission, his or her right to return to Chambers ceases.
9. Where membership ceases under paragraph 8 above, a former member may reapply to Chambers in the usual way.

Arrangements during and after parental leave

10. Members on parental leave are encouraged to maintain contact with Chambers.
11. The Senior Clerk will ensure that members on parental leave are:
 - a. offered such opportunities as may be available to do appropriate fee earning work during parental leave, as requested by the member, without giving up other parental leave rights;
 - b. given access to Chambers' IT resources;
 - c. invited to Chambers' training events, social occasions, marketing events and meetings; and
 - d. consulted on any significant issues affecting Chambers as any member not on parental leave would be.
12. Members on parental leave will continue to have full rights to attend and vote at Chambers' meetings.

13. Any earnings received during parental leave, or on returning from parental leave, will be subject to the payment of Chambers' expenses and clerks' fees in the usual way.
14. A member taking parental leave will be entitled to retain his or her room for 1 year. Thereafter, the room will be available to be re-allocated to another member. A member returning after more than 1 year of parental leave will be able to select any room available according to seniority in the usual way.
15. Members taking parental leave are encouraged to satisfy the CPD requirements which would be necessary for the retention of their Practising Certificate, whether or not they retain their Practising Certificate during parental leave.
16. The Senior Clerk will ensure that members returning from parental leave are given clerking and other support to assist with re-establishing her or his practice. This should usually include arranging a meeting with her or his clerking team before returning to work as well as a further meeting three to six months after returning to review progress and next steps. The clerks should appreciate that members returning to work may not be able to attend events and should otherwise be sensitive to child care responsibilities when arranging conferences and the like.
17. Chambers' policy regarding flexible working covers, amongst other things, career breaks, part-time working, flexible hours, and working partly from home and is contained in a separate document.

Parental Loans

18. Provided that the aggregate amount owing by the borrower under such loans will not exceed £90,000, on each occasion on which parental leave has been taken for a period exceeding 3 months, a returning member will be entitled to borrow from Chambers up to £45,000, interest-free ("**a Parental Loan**").
19. A Parental Loan must be repaid by a 10% surcharge on receipts following the return to Chambers. If the borrower leaves Chambers, or fails to receive sufficient sums to repay the Parental Loan within 3 years of returning to Chambers (which period shall not run during any subsequent period of parental leave), the Parental Loan shall become repayable on demand.
20. Any member taking a loan in accordance with paragraph 18 above shall sign an agreement in the form attached as a Schedule to this policy. The Management Committee may, at its discretion, agree with the member to vary any term of this agreement, including terms as to the amount loaned and repayment.
21. The Management Committee has discretion to provide further financial assistance on a case-by-case basis and members are encouraged to get in touch with the Management Committee if they require such assistance.

Circulation

22. This policy shall be included in the "Chambers Policies Barristers" folder in the Shared folder on the X-drive, the existence of which members shall be periodically

reminded. The policy shall also be periodically notified to the clerks.

Review

23. This policy shall be reviewed for effectiveness and regulatory compliance by the Chambers Equality and Diversity officers every two years.

Complaints

24. Any member who wishes to make a complaint in relation to this policy should do so under the One Essex Court Complaints Procedure for Barristers and Pupils, which is contained in a separate document.

This policy was adopted by Management Committee on 20 October 2022.
